

LEADING THE CHARGE
INSPIRING THE CHANGE™

WE ARE WOMEN UNITED.

As an integral part of United Way, Women United® fights for the health, education, and financial stability of every person in every community. We are a diverse, vibrant community, bound together by a powerful sense of belonging – to each other, to the organization’s mission, and to the communities we call home. Our powerful, global network of women leaders, over 70,000 strong, lives united against the most critical issues facing more than 165 communities in six countries.

WE IGNITE CHANGE.

In each community we serve, we tackle the issues that matter most to the people who call it home. We empower each other to leverage our passions, ideas, expertise and resources to transform the very conditions in which people live. With more than \$1.5 billion invested in local solutions and a worldwide footprint, we’re able to positively impact our hometown while also being part of the bigger picture and broader cause. Currently, our main focus is **Education**. Our first initiative is the Dolly Parton’s Imagination Library, which provides free books monthly to children ages newborn to 5-years.
